**Hello cadets, we hope you are enjoying school and staying warm as the seasons begin to change. This month we finished our candy selling fundraiser and started selling the JROTC hoodies for the 2020-2021 school year; make sure to get yours before they're gone! In the month of October we performed many Color Guards. Leadership Education Training (LET) level 1 cadets were provided the opportunity to showcase what they learned as part of the Jr Varsity Color Guard Team. Justin Harrill (OK flag) and Maurice Carter (MAC flag) are LET 1 cadets pictured below.**

**The drill and color guard teams have been preparing for the district wide drill meet on November 14th. It is not too late to join a team, talk to your Company Commanders! JROTC raised the flag for the Grand Opening of 1st Degree Collaboration, provided the ceremony with an Sabre Guard, and over 50 cadets. JROTC also provided the homecoming football game with an Sabre Guard. We want to give a huge congratulations to Kennedy Fisher for winning Homecoming Queen! Kennedy is a senior who has a scholarship to continue her softball career at UCO next fall.**

**This month for our cadet highlights we wished to showcase some of our most athletic cadets.**

**Private First Class (PFC) Tanner Monday is a LET 2 in JROTC, he is a part of MacArthur's cross country team as well as JROTC's Male Color Guard and Armed Drill Team. He is a junior and intends to be a part of JROTC and cross country for the remainder of his high school career. (pictured on the left)**

**Corporal Ashton Bender is a senior cadet in JROTC and has played football since he was 8 years old. We are sad to see him graduate soon, but cannot wait to see what he accomplishes in life. He intends to continue his education by studying criminal justice at Langston University in the fall. He is standing with his parents in the picture on the right.**

**What's your favorite food to eat at thanksgiving? (let us know to the left!)**
